Dear Bo,

As I have unjustly just received a right royal fucking up from the medical profession, against the laws of all known logic, please consider this email as my formal protest.

My understanding of the laws of logic, which connects me to the others that I know indicates to me that the one who was in greatest need of being made to right royally pay up or get struck off was Dr. Saji Damodaran.

David Crofts.

P.S.

You are the authority, AHPRA is the agency !!!!

Please permit me to expose the informed Ombudsman's response ...

... as it is important confidential knowledge ...

Dear Mr Crofts

Thank you for your email of 20 July 2012 in which you complain about the Australian Health Practitioners Regulation Authority (AHPRA).

We cannot help you with this matter. The Commonwealth Ombudsman's office investigates complaints about the actions of Australian Government agencies. However, under our legislation we cannot investigate matters relating to a small number of these agencies, including AHPRA. Therefore we cannot investigate your complaint.

You might want to raise your concerns with the Office of the National Health Practitioners Ombudsman. The contact details are:

1/ What are the "assessment method criteria" 4 determining if a "board decision" is "appellate" under section 199 of "the national law" ????

2/ Why does "the national law" not grant "equal rights" to both healthvic-notifications@ahpra.gov.au professionals and non-health professionals alike ????

3/ Are you certain that the Ombudsman cannot "legally :- wank up" a "board decision" ????

Dave - this is a pretty bad email for you and normally shows you aren't doing so good. Sorry I didn't call this week, have been rather preoccupied myself !

How are you? Call me sometime - evenings best. I'm home at Easter and would like to see a movie.

Cheers,

Brian
